

## FREE MUSIC WORKSHOP FOR YOUTH

# MUSIC FROM SCRATCH

Made fresh from young minds

“The ingredients are all there... you just have to stir the pot!”

University Settlement Music & Arts School and Contact Contemporary Music invite youth between the ages of 15 and 21 to participate in a **FREE** week-long workshop to create music from scratch.

From July 12th - July 17th 2010, you are invited to work with the Contact Contemporary Music ensemble and visiting composer Allison Cameron to create new works for a chamber music ensemble.

This is an exciting opportunity to create and experiment with sound, learn about the creative process and learn a little something about contemporary Canadian music.

No musical experience is necessary... just a willingness to learn and explore your own inner creativity.
